Presidents Page

Welcome to the 69th Annual Ohio State Skeet Shooting Championships. This is always the highlight of our Ohio Skeet Shooting season. We have had another year of highly successful and competitive registered shoots show casing the talents of our many nationally-recognized Ohio shooters.

This State Shoot is only possible because of the hard work of many individuals. First, I want to thank Past-President Greg Huszai, Secretary Sue Huszai and Bruce Poyer for putting this event together, for handling the banquet and ordering medals and patches. Next, I would like to thank Past-President Jim Murphy and Treasurer Melinda Angel for all their work on the program. I need to give a special thank you for all the extra effort and support John Haugh contributed to the creation of this year's program and to Dick Cross for his continued financial support of Ohio Skeet. Finally, thank you to all our advertisers and sponsors who make the program possible.

This is my first opportunity to publicly congratulate our two newest inductees to the Ohio Skeet Hall of Fame. Both Hal Hare and Jimmy Rogers have been highly successful participants in International and American Skeet. Please join us in honoring them at dinner Saturday evening.

This past year has been an opportunity for me to work with some of the finest people involved in skeet. I would like to acknowledge that our Vice-President Bill Fisher, Secretary Sue Huszai and Treasurer Melinda Angel, along with our Zone Directors make our State organization run smoothly. They keep me on my toes and I am indebted to them for their hard work. It is also a supreme pleasure to work with each of them.

Charlie Williams, President of the Ohio State Skeet Association
